

# **Webinar Series 2: How to Offer Courses?**

# Acknowledgement of Country

ExpertGate acknowledges the traditional custodians of the land on which we meet today and pay my respects to Elders past, present and emerging. We pay respect to the peoples of the Darug, Tharawal, Eora and Wiradjuri nations who are the Traditional Custodians of this Land.

# What is ExpertGate Course?

**ExpertGate** courses are tailored, expert-led sessions designed to provide focused training and skill enhancement in various professional fields include Agriculture, Healthcare, Education, Manufacturing, Environmental Science, Energy, Mining, Business, and more.

**Courses** are created and conducted by verified experts, ensuring a high level of knowledge and practical expertise.

# Is it a Short or Long Course?

**ExpertGate** offers flexible course lengths to suit your needs and expertise. Whether you want to design a short, focused course or a comprehensive, in-depth program, you have the freedom to choose the format that best aligns with your teaching goals and audience requirements.

This flexibility allows you to target both quick skill enhancements and deep-dive educational experiences for your learners.

# Why Experts Offer Courses at ExpertGate

Experts choose to offer courses at ExpertGate because of its unique blend of features:

**Global Exposure:** Reach a diverse, international audience of professionals and students.

**Automated Tools:** Benefit from easy course creation, enrollment management, secure payment systems and LMS.

**Flexible Teaching Options:** Design short or long courses tailored to your expertise and teaching style.

**One-on-One Assistance:** Enjoy personalised support from a dedicated representative every step of the way.

**50% Social Contribution:** 50% of profits are reinvested into educational initiatives for underprivileged communities.

# Why ExpertGate Courses Are Different

**Expert-Led:** Courses are taught by top-tier academic and industry experts with verified credentials.

**Real-Time Interaction:** Unlike pre-recorded programs, ExpertGate courses are delivered live, fostering direct engagement between instructors and learners.

**Customisable Structure:** Experts can design courses tailored to their field, whether short or long, with flexible scheduling.

**Social Impact:** 50% of profits are reinvested in educational programs for underserved communities, making every course a meaningful contribution to society.

**Automation:** From enrollment to payment, the entire process is automated, saving time for both experts and participants.

# How to Set Up a Course at ExpertGate

**How to set up a Course:** Create and publish your courses in a few minutes with our intuitive interface.

**Enrollment Management:** Unique registration and join links are generated automatically, simplifying the enrollment process for you and your learners.

**Payments Management:** Our fully automated payment system ensures prompt and secure transactions, allowing you to focus on your instruction.

**Comprehensive Dashboard:** Utilise our Learning Management System (LMS) to effortlessly monitor registrations and gather feedback to enhance your teaching.

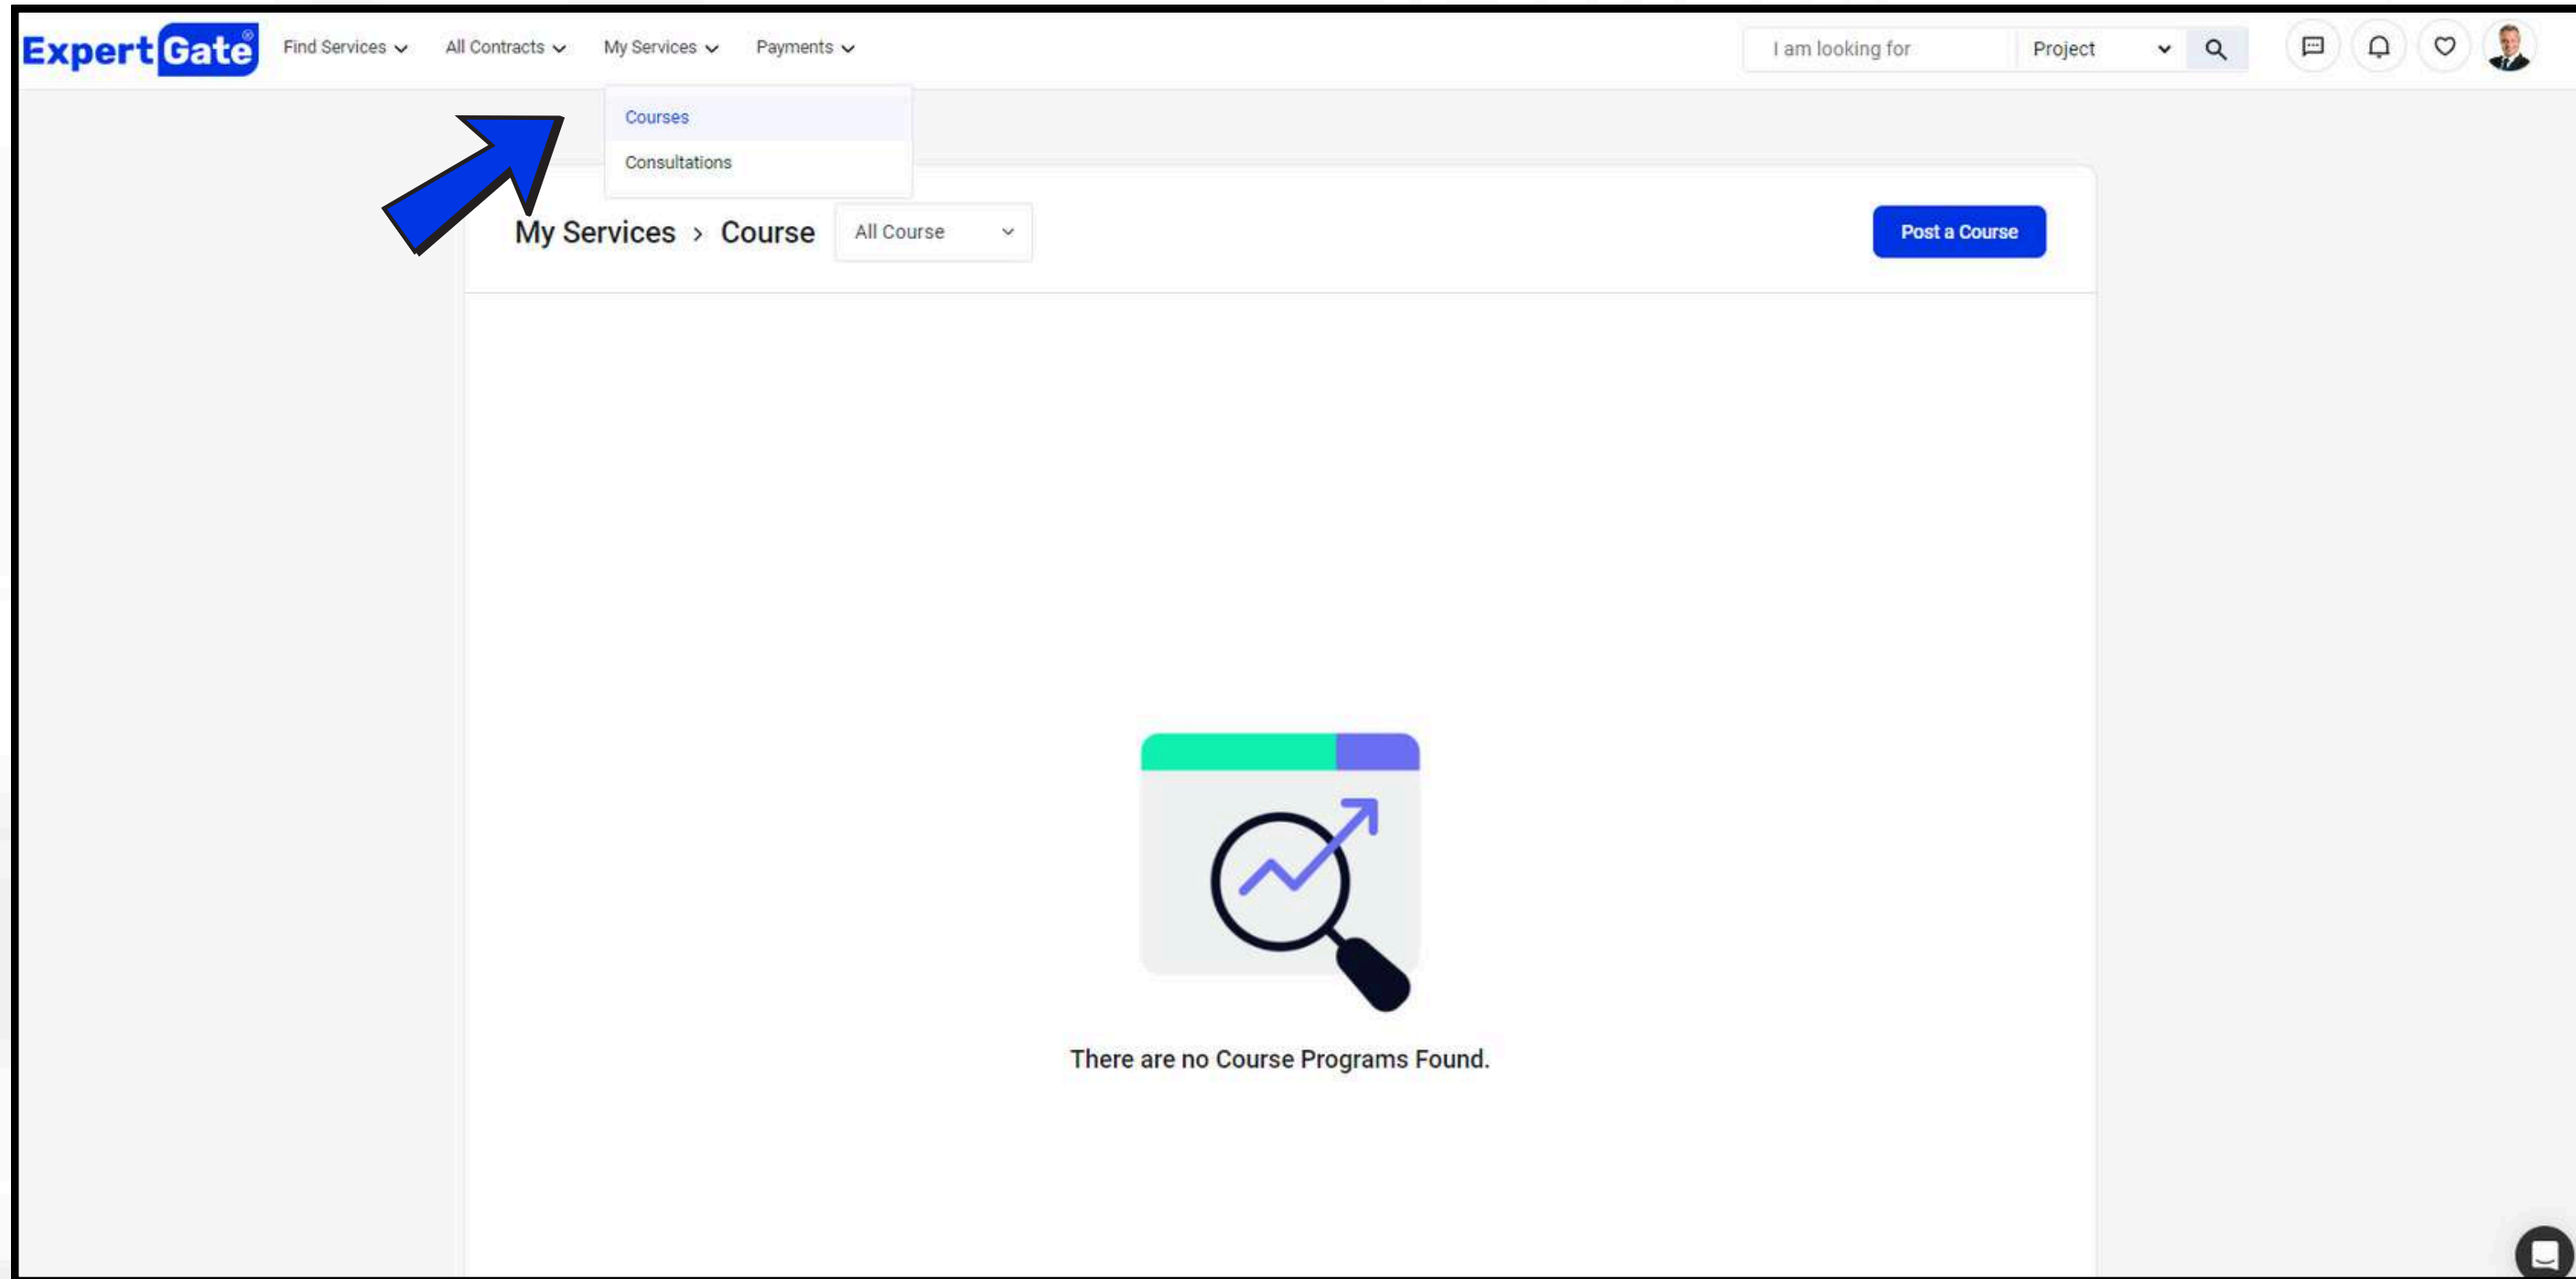

**One-on-One Assistance:** Enjoy personalised support from a dedicated representative every step of the way.

# How to set up a Course?

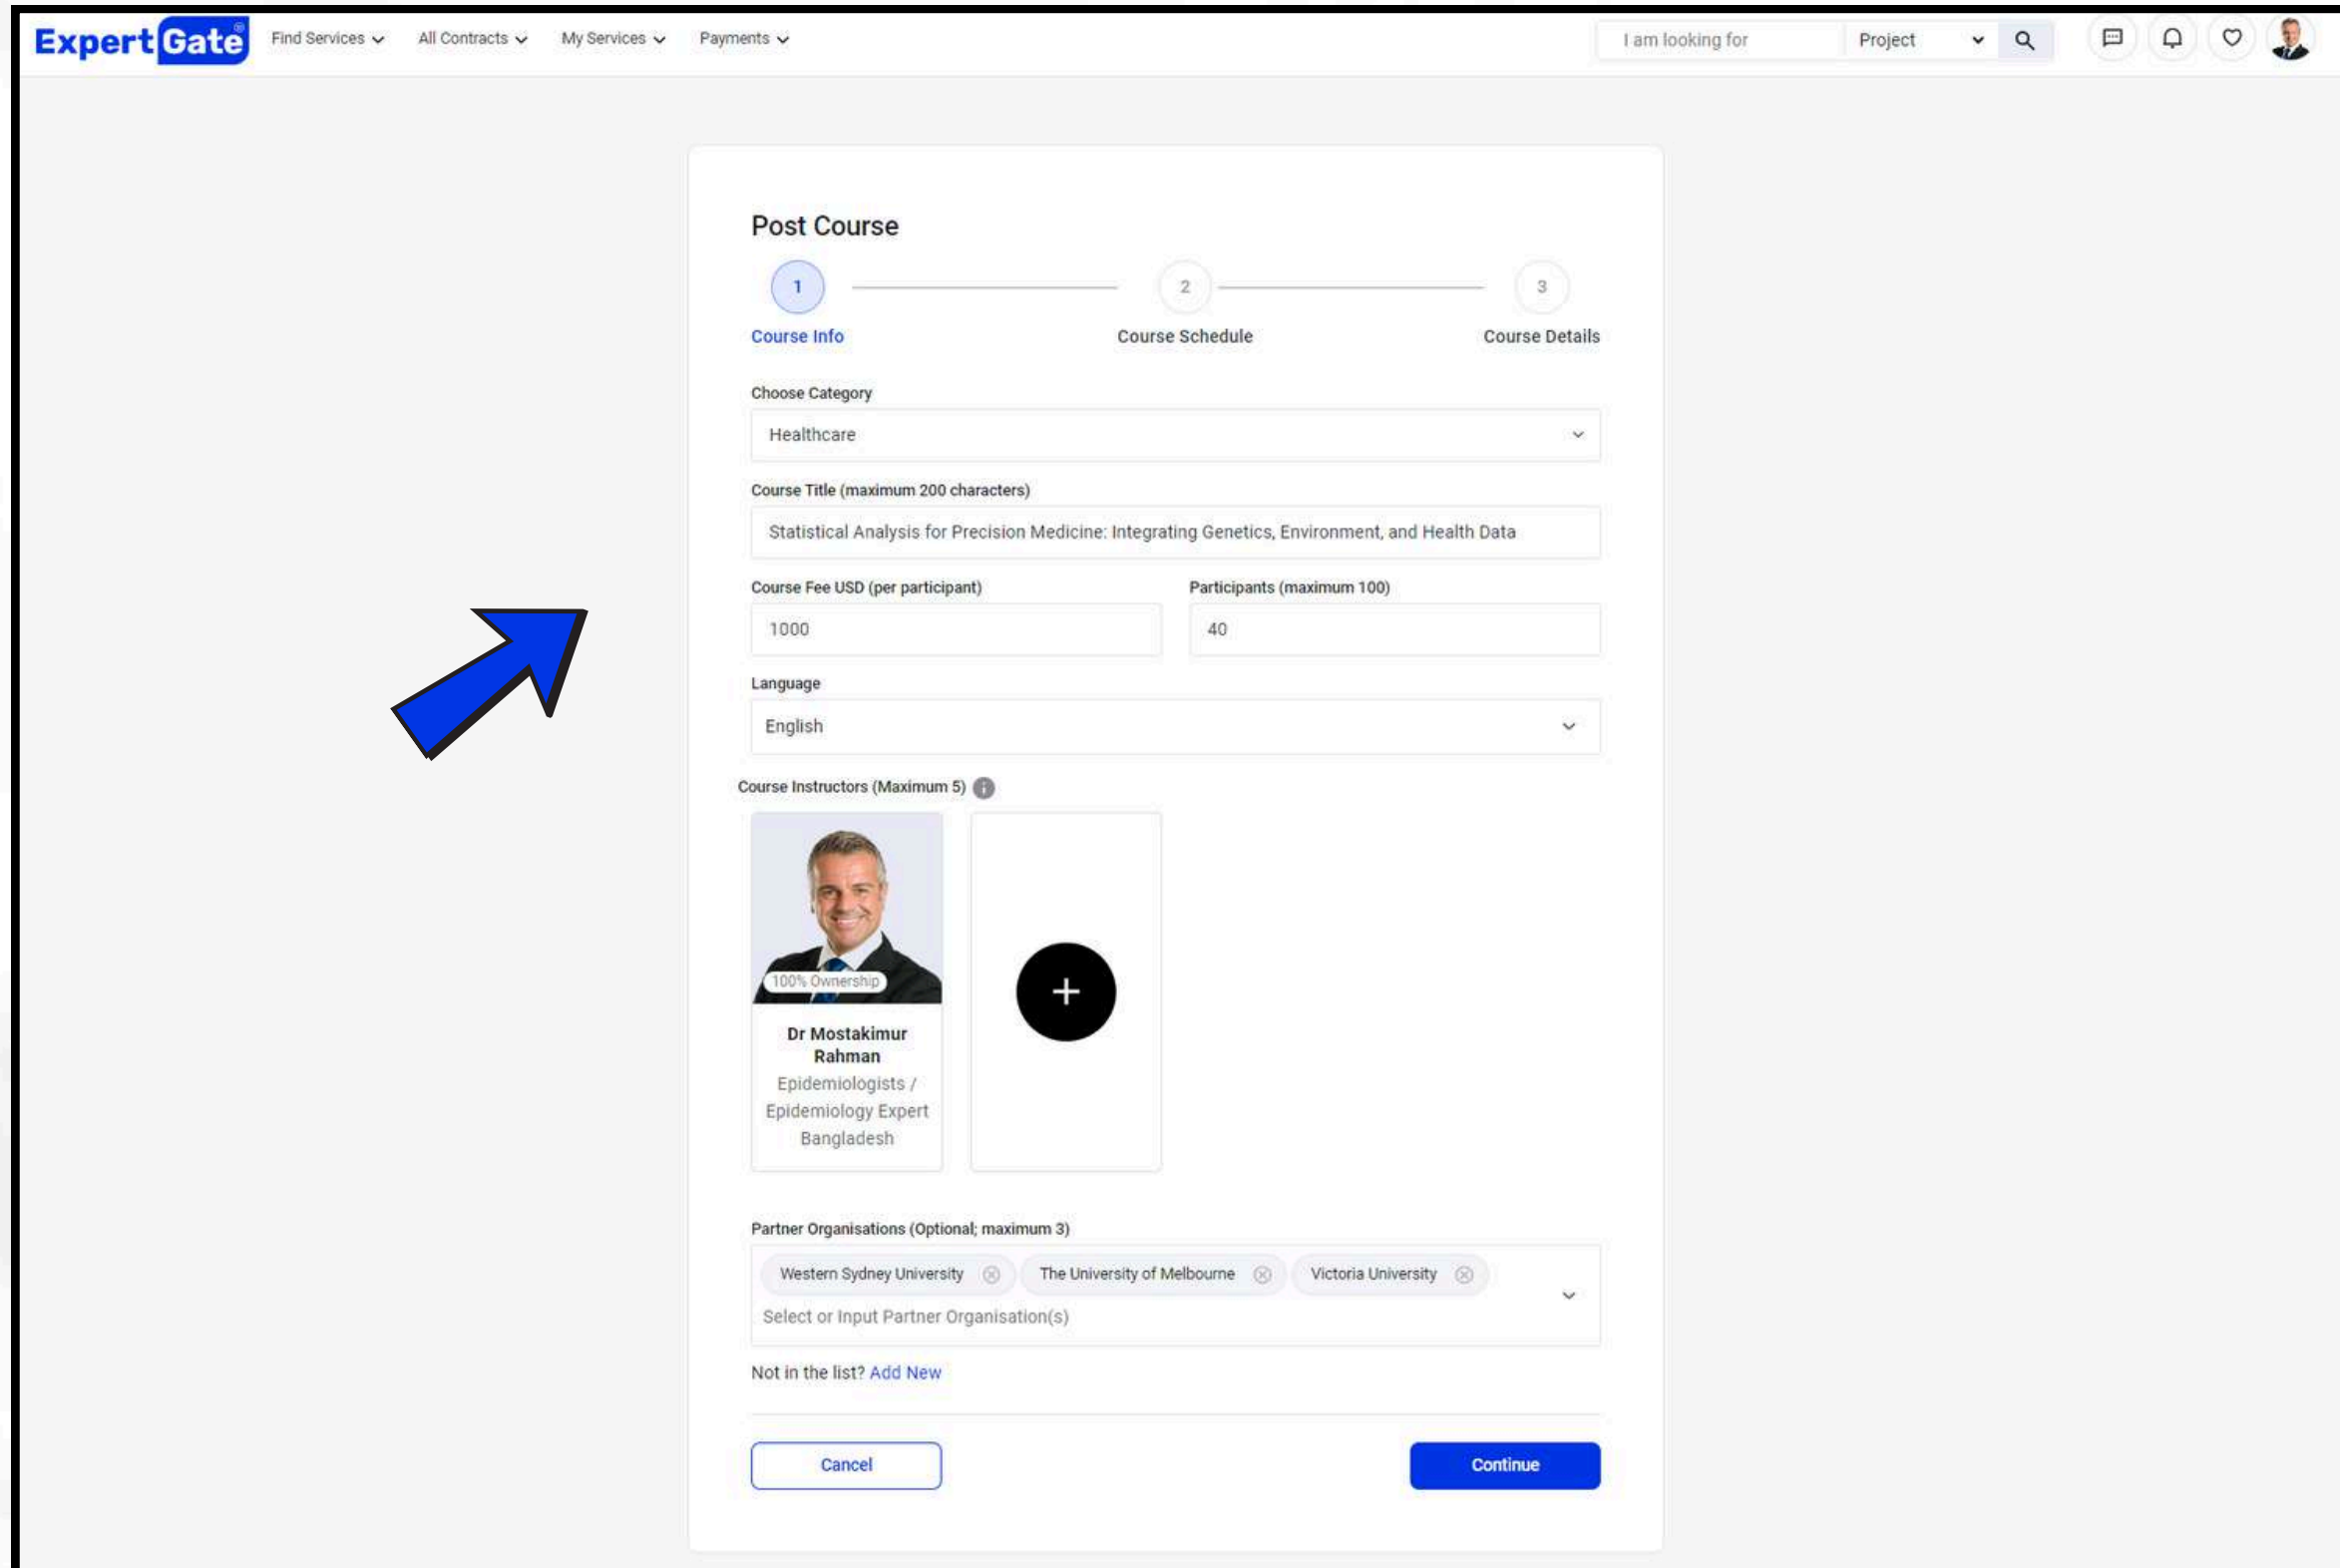

# Visit your Dashboard

The screenshot displays the Expert Gate dashboard interface. At the top left, the 'Expert Gate' logo is visible. The navigation bar includes 'Find Services', 'All Contracts', 'My Services', and 'Payments'. A search bar on the right contains the text 'I am looking for' and a dropdown menu set to 'Project'. A blue arrow points to the 'My Services' dropdown menu, which is open, showing 'Courses' and 'Consultations' options. Below this, the breadcrumb 'My Services > Course' is shown, along with a 'Post a Course' button and a dropdown menu for 'All Course'. The main content area is empty, featuring a central icon of a magnifying glass over a line graph with an upward arrow, and the text 'There are no Course Programs Found.' in the center.

# Provide Course Schedule (Date & Time)

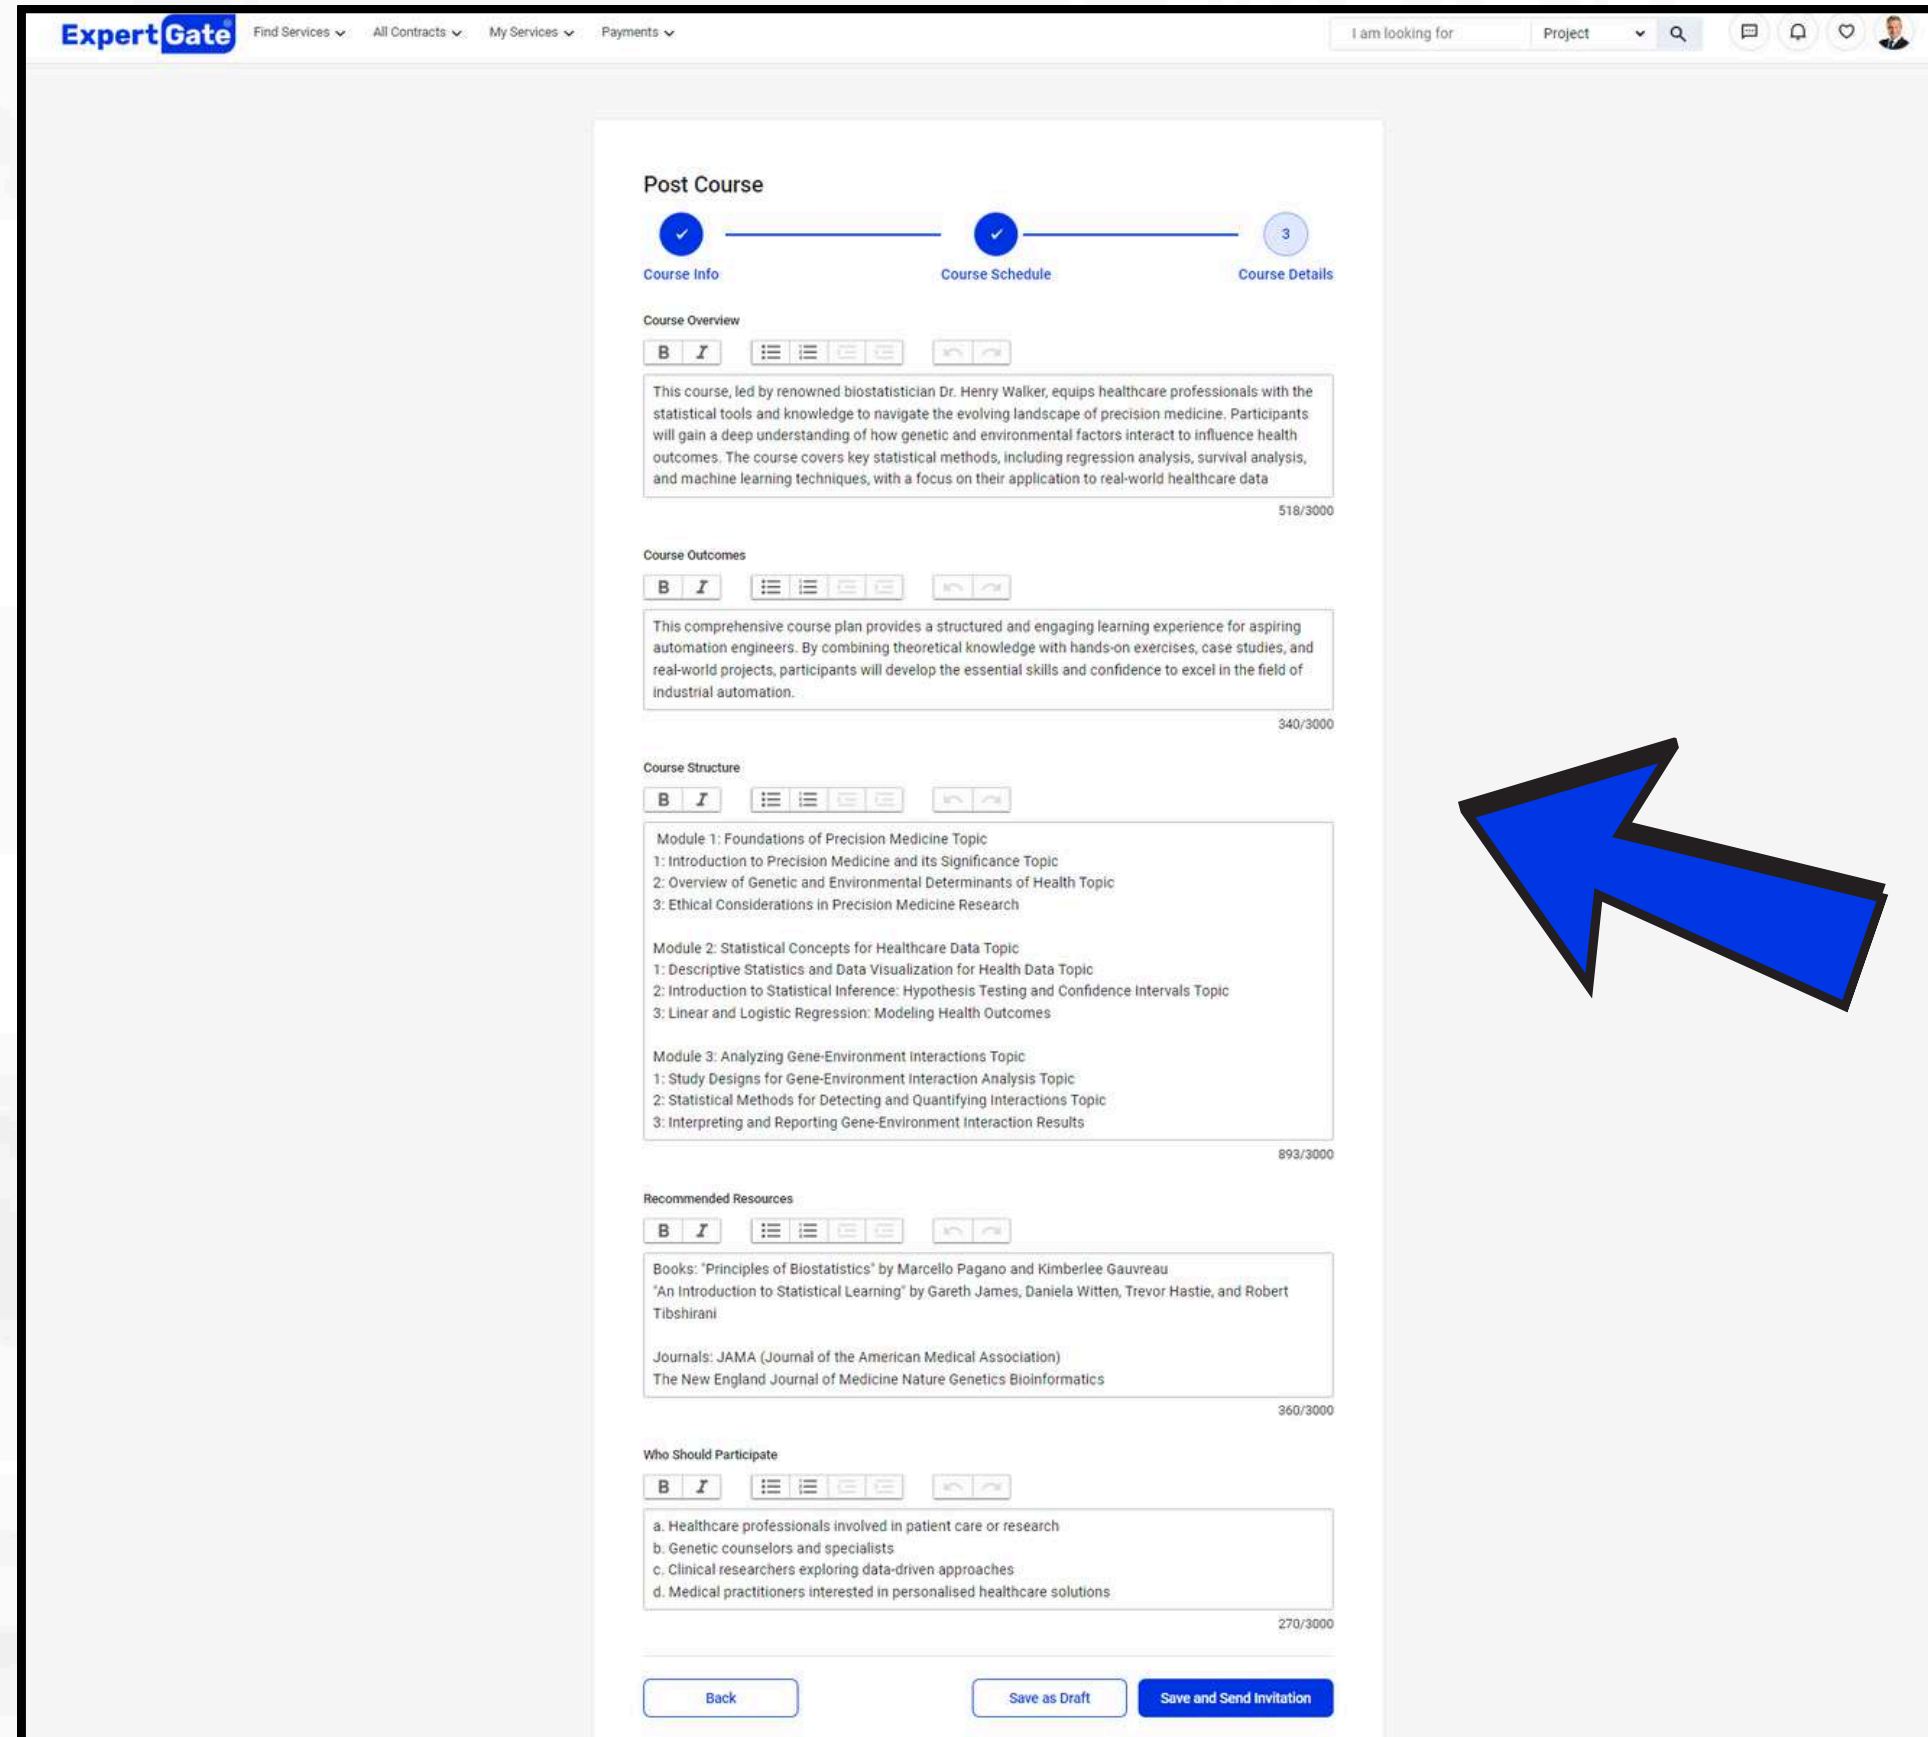

The screenshot shows the 'Post Course' form in the Expert Gate system. The form is divided into three steps: Course Info, Course Schedule (highlighted with a blue arrow), and Course Details. The 'Course Mode' is set to 'Online'. The 'Class Schedule' section includes a table for adding dates and times:

Date	Start Time	End Time
31 Oct 2024	10:00 AM	11:00 AM

Below the table is a '+ Add Date' link. At the bottom of the form are 'Back' and 'Continue' buttons. The page footer includes a 'Was This Page Useful?' survey with 'Yes' and 'No' options, and a 'Provide Feedback' button.

# Provide Course Details

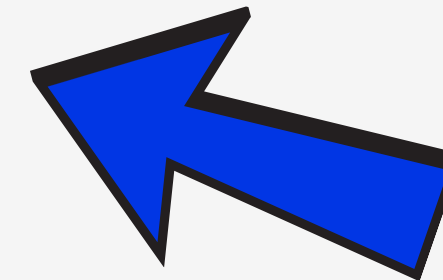

The screenshot displays the 'Post Course' page in the Expert Gate system. The page is divided into several sections, each with a rich text editor for content entry:

- Course Info:** The first step in the process, indicated by a checkmark.
- Course Schedule:** The second step, also indicated by a checkmark.
- Course Details:** The current step, indicated by a '3' in a circle.

The 'Course Details' section includes the following sub-sections:

- Course Overview:** A text area containing a description of the course led by Dr. Henry Walker, focusing on precision medicine and statistical tools. Progress: 518/3000.
- Course Outcomes:** A text area describing the learning experience for aspiring automation engineers. Progress: 340/3000.
- Course Structure:** A list of modules and topics, including 'Foundations of Precision Medicine', 'Statistical Concepts for Healthcare Data', and 'Analyzing Gene-Environment Interactions'. Progress: 893/3000.
- Recommended Resources:** A list of books and journals, such as 'Principles of Biostatistics' and 'JAMA'. Progress: 360/3000.
- Who Should Participate:** A list of target audience groups, including healthcare professionals and genetic counselors. Progress: 270/3000.

At the bottom of the page, there are three buttons: 'Back', 'Save as Draft', and 'Save and Send Invitation'.

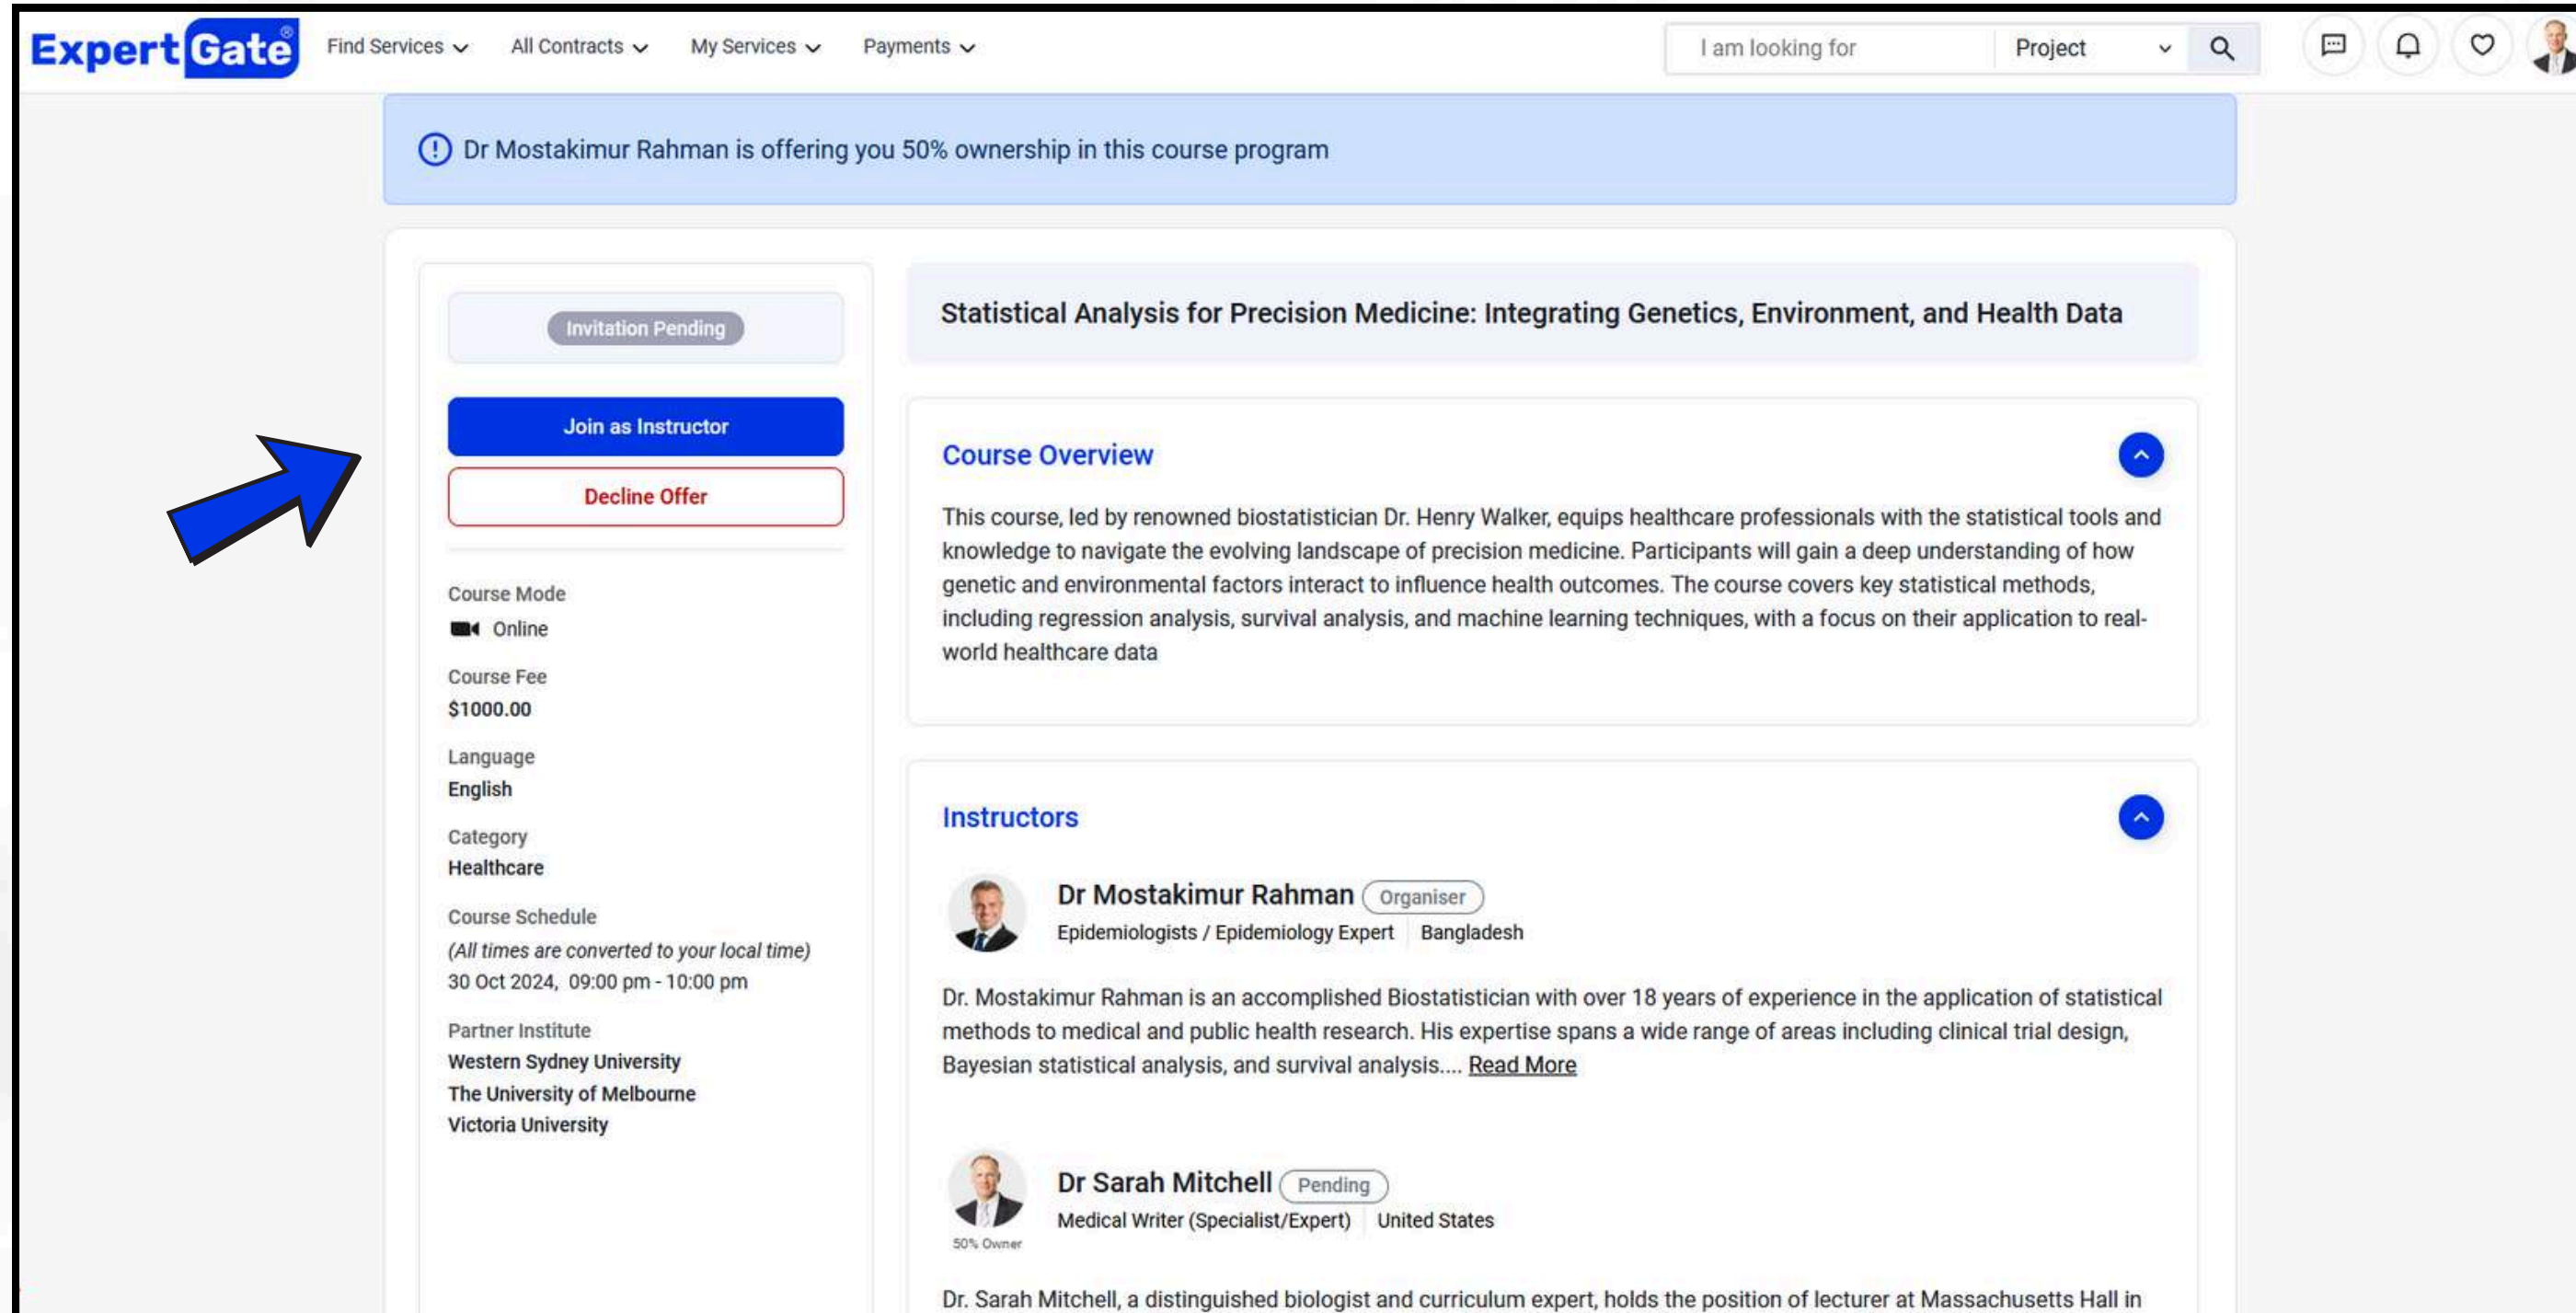

**Add Course overview, outcome, structure and other details**

# Submit and Send Invitation

The screenshot displays the ExpertGate website interface. At the top, there is a navigation bar with the ExpertGate logo, menu items like 'Find Services', 'All Contracts', 'My Services', and 'Payments', and a search bar. A green notification banner at the top of the main content area reads 'Invitation sent'. Below this, a course titled 'Statistical Analysis for Precision Medicine: Integrating Genetics, Environment, and Health Data' is shown with an 'Invitation Pending' status. Two experts are listed: Dr. Mostakimur Rahman (Organiser) and Dr. Sarah Mitchell (Pending). A blue arrow points from a callout box containing the text 'Invite sent to Co-Instructor' to Dr. Sarah Mitchell's name. The course details include: Course Mode (Online), Course Fee (\$1000.00 USD), Language (English), Category (Healthcare), Course Schedule (31 Oct 2024, 10:00 am - 11:00 am), and Partner Institute (Western Sydney University | The University of Melbourne | Victoria University). At the bottom, there is a feedback section with 'Was This Page Useful?' and 'Yes/No' buttons, and a 'Provide Feedback' button.

### Statistical Analysis for Precision Medicine: Integrating Genetics, Environment, and Health Data

#### Course Overview

This course, led by renowned biostatistician Dr. Henry Walker, equips healthcare professionals with the statistical tools and knowledge to navigate the evolving landscape of precision medicine. Participants will gain a deep understanding of how genetic and environmental factors interact to influence health outcomes. The course covers key statistical methods, including regression analysis, survival analysis, and machine learning techniques, with a focus on their application to real-world healthcare data.

#### Instructors

 **Dr Mostakimur Rahman** Organiser  
Epidemiologists / Epidemiology Expert | Bangladesh

Dr. Mostakimur Rahman is an accomplished Biostatistician with over 18 years of experience in the application of statistical methods to medical and public health research. His expertise spans a wide range of areas including clinical trial design, Bayesian statistical analysis, and survival analysis.... [Read More](#)

# Publish the Course

The screenshot shows the 'My Services > Course' page on the Expert Gate platform. The course title is 'Statistical Analysis for Precision Medicine: Integrating Genetics, Environment, and Health Data'. It is marked as 'Ready to Publish'. The course is organized by Dr. Mostakimur Rahman (Epidemiologists / Epidemiology Expert, Bangladesh) and instructed by Dr. Sarah Mitchell (Medical Writer (Specialist/Expert), United States). Course details include: Course Mode: Online; Course Fee: \$1000.00 (USD); Language: English; Category: Healthcare; Course Schedule: 31 Oct 2024, 10:00 am - 11:00 am; Partner Institute: Western Sydney University | The University of Melbourne | Victoria University. A blue arrow points to the 'Publish' button in the course's action menu. At the bottom, there is a feedback section with 'Was This Page Useful?' (Yes/No buttons) and a 'Provide Feedback' button.

# Published Course Under Admin Review

The screenshot displays the Expert Gate website interface. At the top, there is a navigation bar with the Expert Gate logo and menu items: Find Services, All Contracts, My Services, and Payments. A search bar contains the text "I am looking for" and a "Project" dropdown menu. On the right side of the navigation bar, there are icons for chat, notifications (with a red badge), and a user profile.

The main content area features a green notification banner at the top that reads "Under admin review" with a checkmark icon and a close button (X). Below this banner, the breadcrumb "My Services > C" is visible, followed by a blue "Post a Course" button.

The central focus is a course card for "Statistical Analysis for Precision Medicine: Integrating Genetics, Environment, and Health Data". A yellow tag above the course title indicates it is "Under Admin Review". The course is organized by Dr. Mostakimur Rahman (Epidemiologists / Epidemiology Expert, 50% Owner, Bangladesh) and instructed by Dr. Sarah Mitchell (Medical Writer (Specialist/Expert), 50% Owner, United States).

Course details listed below the organizers include:

- Course Mode: Online
- Course Fee: \$1000.00 (USD)
- Language: English
- Category: Healthcare
- Course Schedule: (All times are converted to your local time) 31 Oct 2024, 10:00 am - 11:00 am
- Partner Institute: Western Sydney University | The University of Melbourne | Victoria University

A blue arrow points to the right side of the course card. At the bottom of the page, there is a feedback section with the text "Was This Page Useful?" and buttons for "Yes", "No", and "Provide Feedback".

# 01 Navigate the Expert Dashboard

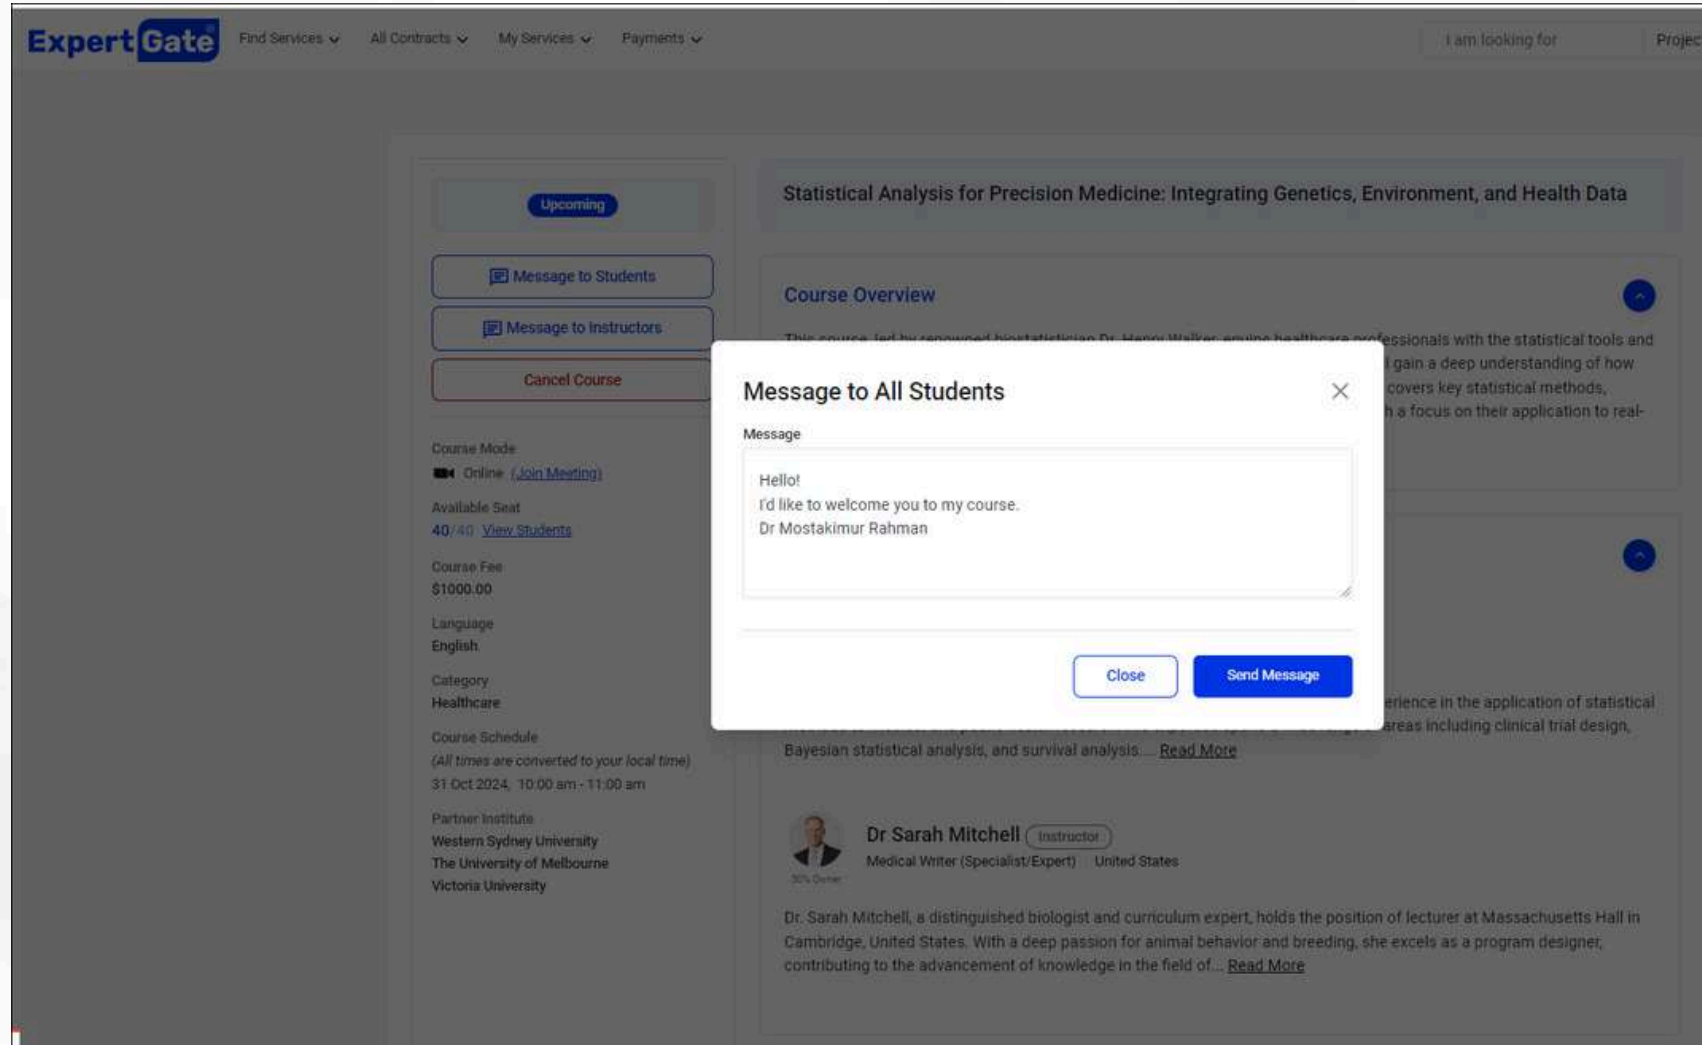

The screenshot displays the Expert Gate dashboard interface. At the top, there is a navigation bar with the Expert Gate logo, menu items for 'Find Services', 'All Contracts', 'My Services', and 'Payments', a search bar with the text 'I am looking for', and a dropdown menu for 'Project'. On the right side of the navigation bar, there are icons for chat, notifications, and a user profile.

The main content area is titled 'Course > All Contracts' and features a 'Post a Course' button. Below the title, there are tabs for course status: 'Upcoming (1)', 'In Progress (0)', 'Completed (0)', 'Refund Requested (0)', 'Disputed (0)', 'Cancelled (0)', and 'Refunded (0)'. The 'Upcoming (1)' tab is selected, showing a course card for 'ID: 7 Statistical Analysis for Precisi...'. The card includes details such as 'Instructors' (with two profile pictures), 'Secured Account: \$0', '40/40 Available Seat', a timer '12 days 15 hours 38 mins', and the date '31 Oct 2024'. A 'Join Meeting' button is also present on the card.

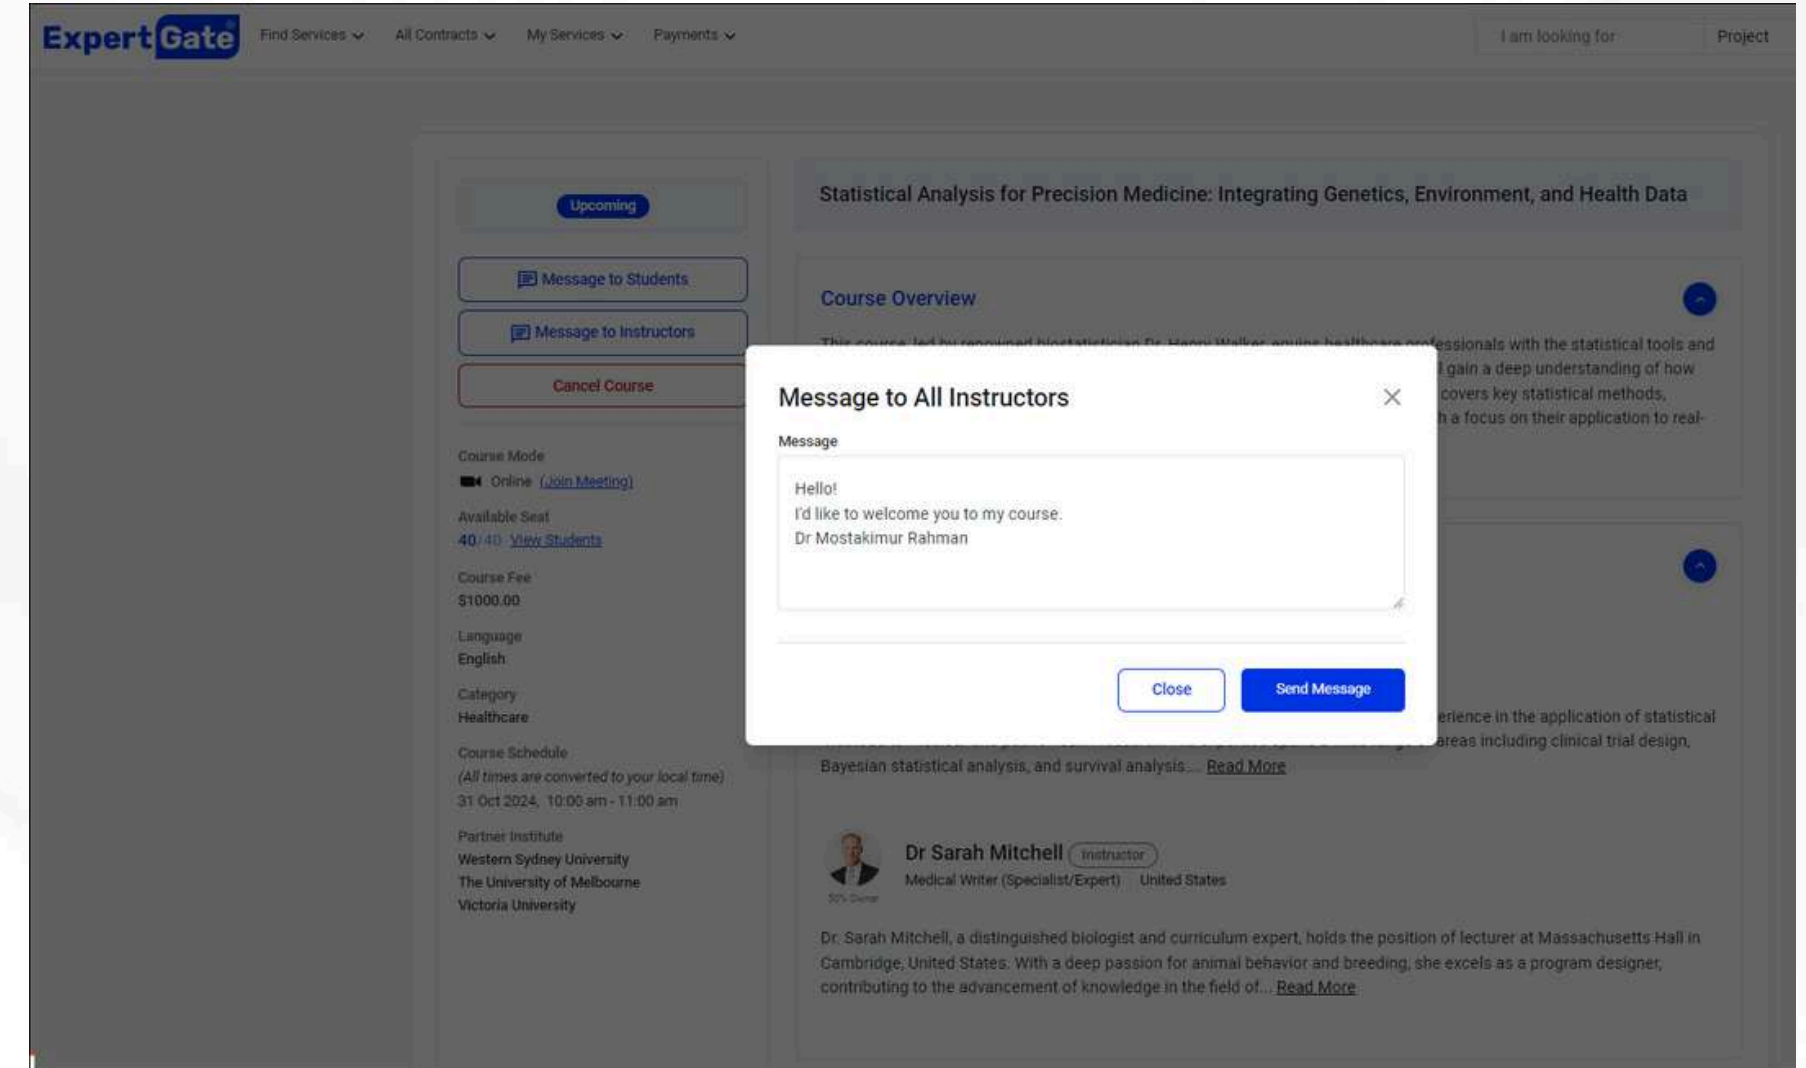

At the bottom of the dashboard, there is a feedback section titled 'Was This Page Useful?' with 'Yes' and 'No' buttons, and a 'Provide Feedback' button.

A blue arrow points from a text box on the left to the 'Upcoming (1)' tab. The text box contains the text: 'Live Courses Visible on Expert Profile'.

# Communicate with Co-Instructors and Learners

The screenshot shows the Expert Gate interface for a course titled "Statistical Analysis for Precision Medicine: Integrating Genetics, Environment, and Health Data". A modal dialog box titled "Message to All Students" is open, containing a text input field with the message: "Hello!  
I'd like to welcome you to my course.  
Dr Mostakimur Rahman". Below the input field are "Close" and "Send Message" buttons. The background interface includes navigation tabs, course details, and a list of messages.

The screenshot shows the Expert Gate interface for the same course. A modal dialog box titled "Message to All Instructors" is open, containing a text input field with the message: "Hello!  
I'd like to welcome you to my course.  
Dr Mostakimur Rahman". Below the input field are "Close" and "Send Message" buttons. The background interface is identical to the previous screenshot.

# Payments Management

# Payments Management

## Transparency, Reliability, and Security:

- At ExpertGate, we prioritise trust in all collaborative endeavours.
- Our robust payment and pricing policy is designed to:
  - Safeguard your interests through transparent processes.
  - Ensure smooth and fair transactions.

## Key Principles

- **Transparency:** Clear pricing and fees at every step.
- **Reliability:** Consistent and timely payments for all services.
- **Security:** Advanced measures to protect all financial transactions.  
Detailed explanation in ExpertGate's payment policy.

# Payments Management

## Secure Payment Handling:

- ExpertGate partners with Stripe and utilises **Stripe Express Connect** to securely handle payment delivery, holding, and receipt for contracts/sessions between experts and clients.
- Students are required to pay in advance, with funds held in a designated **Platform Secured Account under the expert's name**, protected by Stripe, and kept separate from our operational accounts to ensure security and transparency.
- All experts must complete **Know Your Customer (KYC)** verification as mandated by Stripe to ensure compliance and security in financial transactions.

## Automatic Release of Funds

- After an Expert completes a Project or Session, they submit a release request to the client.
- The Customer has a designated review period to assess the delivered service and ensure the agreed-upon requirements are met.
- If there are no objections after the review period ends, funds held in the Platform Secured Account will be **automatically released** to the Expert's account.

# Payment Structure at ExpertGate

Contract Type	Platform Fee	Contract Value	Service Charge Fee (10%)	Expert's Earning
Fixed Price Contract	10%	\$100	\$10	\$90
Hourly Contract	10%	\$100 per hour	\$10 per hour	\$90 per hour
Consultation Session	10%	\$100	\$10	\$90
Course	10%	\$100	\$10	\$90

**Automated Payments:** The payment system is fully automated, ensuring timely and secure transactions for all parties.

**Revenue Sharing:** Experts receive a percentage of the course fees based on their role as either Organising Instructors or Co-Instructors.

**50% Social Contribution:** ExpertGate commits to reinvesting 50% of profits into educational initiatives, benefiting underserved communities.

**Transparent Payouts:** Experts can track their earnings in real-time through their dashboard, with payments processed automatically after course completion.

Several review studies substantiate that PLS-SEM has become a standard method in various research fields, including higher education (Ghasemiy et al., 2020 | Higher Education), human resource management (Ringle et al., 2018 | International Journal of Human Resource Management), hospitality management (Ali et al., 2018 | International Journal of Contemporary Hospitality Management), information systems research (Hair et al., 2017 | Industrial Management & Data Systems), Management Accounting (Nitzl, 2016 | Journal of Accounting Literature), international business (Richter et al., 2016 | International Marketing Review), tourism (do Valle and Assaker, 2016 | Journal of Travel Research), entrepreneurship (Wiliamu et al., 2015 | Personality and Individual Differences), security (Chen

# Enrollment Management

The screenshot displays the ExpertGate user interface. At the top, there is a navigation bar with the ExpertGate logo and menu items: Projects, Reports, Experts, Scholarships, Trainings, and Billings & Payments. A search bar is also present with the text "I am looking for" and a "Project" dropdown.

The main content area is titled "Select a billing method" and includes the instruction: "This will be primary billing method across all contracts, account activity and subscriptions".

Under this heading, there are two existing billing methods:

- Master ending in 8698 (Primary)
- VISA Visa ending in 8698 (Set as primary, Remove)

A button labeled "+ Add New Billing Method" is located below these options.

The "Add New Billing Method" form includes the following fields:

- Card type selection: Card (selected), Afterpay, AU Direct Debit, Google Pay.
- Card number: 1234 1234 1234 1234
- Expiration: MM / YY, CVC: CVC
- Country: Australia

An "Add" button is at the bottom of the form.

On the right side of the page, a summary box for "Professor Miles Esther" (Higher Education Curriculum Expert | Australia) shows the following details:

- Project/Training/Consultation Title
- The time slot will be held for 10:00
- Sep 28, 2023 at 1:00 AM - 2:00 AM
- Total Service Value 1 x \$100: \$100.00
- Platform Fee (5%): \$10.00
- Contact initiation fee: \$3.00
- Subtotal: \$113.00
- GST: \$1.30
- Transaction Fee (3.5%): \$3.96
- Total Payable Amount: \$118.26**

Below the summary, there is a note: "By clicking on Check & Fund Button you are Agreeing with ExpertGate Terms & Conditions and Payment Policy" and a "Check & Fund" button.

A red notification banner at the bottom right of the page states: "payment failed" with a "LINK" and a close "X" button.

**Welcome to Agriculture Development Course**

I'm Dr. Mohammad Riyadh, the Subject Coordinator for Agriculture & Farming. This subject explores the behaviors of individuals, groups, and organizations, and the ways these behaviors influence one another. The course is designed to equip you with the skills needed to effectively navigate and manage these dynamics. Active participation is key, as it will help you reflect on and enhance your abilities, making you a more effective manager and employee. I wish you all the best and a successful completion of this subject. To learn more about me and our teaching team, please refer to the Teaching Staff section. Please review the Subject Learning Outcomes below and then proceed to the Getting Started section.

Assessment 3	Quizzes	20%	Week - 12	<a href="#">View More</a>

**Recommended and Resources**

This subject explores the behaviors of individuals, groups, and organizations, and the ways these behaviors [influence one another](#). The course is designed to equip you with the skills needed to effectively navigate and manage these dynamics.

# Weekly Module

The screenshot displays a user interface for an online learning platform. On the left is a dark blue sidebar with navigation options: Home, Learning Modules, Assessments (with a dropdown arrow), Assessment 1, Assessment 2, Assessment 3, Grades Center, Announcement, Controlled Panel, and Support. The main content area is titled "Agriculture Development Course > Learning Module" and lists five weekly modules. Each module card includes a title, a sub-header "Introduction to Agriculture", a detailed introductory paragraph by Dr. Mohammad Riyadh, and a "View Details" button. The modules are:

- Week - 1 : Introduction to Agricultural and Farming Management**
- Week - 2 : The Role of Leadership in Agriculture**
- Week - 3 : Communication Skills in Farming Management**
- Week - 4 : Understanding Group Dynamics in Agriculture**
- Week - 5 : Decision-Making in Agriculture**
